

## **Referee Form for Recommendation**

This student is applying for admission to the Graduate School «Particle Detectors for Future Experiments» at the University of Mainz. Applicants are asked to forward this form to two referees who can provide an insightful assessment about the candidate's abilities to thrive in the program. The selection system is highly competitive and we kindly ask you to give your frank opinion about the academic and personal qualities of the candidate.  Referee's Name:  Referee's Position:  Referee's Institution:  The Referee Form for Recommendation should be submitted as a pdf file from an institutiona email account to particle-detectors@uni-mainz.de.  1. How long have you known the applicant?  2. In what capacity have you known the applicant (supervisor, teacher)?  3. Please comment on the candidates skills of experimental physics (max. 2000 characters).
Referee's Position:  Referee's Institution:  The Referee Form for Recommendation should be submitted as a pdf file from an institutiona email account to <a href="mailto:particle-detectors@uni-mainz.de">particle-detectors@uni-mainz.de</a> .  1.
