

Referee Form for Recommendation

Applicant's Name: _____

This student is applying for admission to the Graduate School «Particle Detectors for Future Experiments» at the University of Mainz. Applicants are asked to forward this form to two referees who can provide an insightful assessment about the candidate's abilities to thrive in the program. The selection system is highly competitive and we kindly ask you to give your frank opinion about the academic and personal qualities of the candidate.

Referee's Name: _____

Referee's Position: _____

Referee's Institution: _____

The Referee Form for Recommendation should be submitted as a pdf file from an institutional email account to particle-detectors@uni-mainz.de.

1. How long have you known the applicant? _____
2. In what capacity have you known the applicant (supervisor, teacher)? _____
3. Please comment on the candidates skills of experimental physics.

4. Please comment on the candidates experience on particle detectors, running experiments and/or in physics-laboratories.

5. Please add any additional relevant information, which you feel is important for this application .

6. Please rate the candidate's academic performance in experimental subjects and lab-classes relative to a representative group of students with a comparable level of education at your institution.

Top 5%	Top 10%	Top 20%	Top 50%	Below Top 50%

7. Please rate the candidate's overall academic performance relative to a representative group of students with a comparable level of education at your institution.

Top 5%	Top 10%	Top 20%	Top 50%	Below Top 50%
